Subject,

Hiring an oil Engine for pumping water from the well in the shandy maidan at Challakere

Sir,

In forwarding herewith report No 170/44-45 datedthe 18th instant received from the President, Chellakere Municipality, on the above subject, I have the honour to state that Challakere Municipality was in possession of an oil Engine which was being used for pumping water for supply to the men and cattle that assemble in the weekly shandy at the place This engine is now out of order and unfit for use and consequently there has been considerable difficulty for water supply The Secretary of the stores purchase committee has been requested to intimate the cost of an oil Engine of 5 H P for being purchased by the Municipality

2 One Mr Gowrimatada Veeranna has put in an application agreeing to run a 5- 6 horse power engine for pumping water for supply to the town and shandy, if the Municipality pays a hire of Rs 12/ per day The President of the Municipality reports that the above applicant might agree to accept a hire of Rs 10/ per day and has solicited permission to do so The Assistant Engineer No 4 Sanitary Sub Division, Chitaldrug, who was requested to hire an engine on behalf of Challakere Municipality, has replied that no engine is readily available and that the arrangement suggested by the President to hire an engine from a private person on a hire of Rs 10/ per day may be resorted to as an immediate measure to relieve the difficulty of water supply

On account of the acute scarcity of water, I have permitted the President of the Municipality to accept to pay at Rs 10/ per

day

3/

day to Mr Gowrimatada Veerappa in anticipation of sanction of Government It is reported that a sum of Rs 3015/ is available in the current year's budget under "Water supply and maintenance" and the cost will be met out of the same

Under these circumstances, I request that Government may be pleased to approve of my action

I have the honour to be,
Sir,
Your most obedient Servant,

Deputy Commissioner,
Chitaldrug Dist
